

Obstacle Courses For Kids

CAMERON THE CATERPILLAR:

Enter our giant multi-colored caterpillar maze & find more than 55 feet of fun, mystery & adventure. Kids love to navigate through this cartoon-like obstacle course crawling, climbing & jumping among giant teeth, biffers & buffers until they end their journey down the secret slide. Kids will line up again & again until someone tells them it's time to go home!! Perfect for private parties. A perennial favorite at school fairs & community festivals.

30 feet by 30 feet by 11 feet high

PROFESSOR BOOKWORM:

Enter Cameron's studious sibling, and the three "R's" were never so much fun. The inflatable Professor Bookworm Playmaze offers more than 50 feet of learning, adventure & excitement. As kids weave their way through life-size pencils, crayons, blackboards & more, they'll find a different subject around every bend. The hidden slide will keep them coming back for more! Perfect for backyard parties. A natural for school fairs.

30 feet by 30 feet by 15 feet high

SEAWEED THE SEAMONSTER:

Professor Bookworm's serpentine cousin has a head that towers 15 feet high. Kids love to explore more than 50 feet of obstacles, nooks & cranny's. The adventure peaks at Seaweed's hidden slide. Like Cameron, constant flow through makes Seaweed a party favorite, as well as a profit center at fundraisers & festivals.

Obstacle Courses For Kids

WINSTON THE WONDER WHALE:

Enter Winston's giant mouth & find yourself on a 50-ft oceanic adventure to find the hidden treasure chest. Kids will weave around pirate guards, a myriad of seafaring creatures, and land on the Haunted Island. To top it off, they'll delight in their escape down Winston's 15-foot tail. Always a crowd-pleasing favorite, Winston keeps the kids coming back for more.

50 feet by 20 feet by 15 feet high

AIRPLANE (A.K.A. PROPELLA THE PLAY PLANE)

Propella the Play Plane takes inflatable adventure to new heights! After kids slide down the entrance, they'll find a maze in the wing, an inflatable flight crew and a chance to test their aviation skills as they make their way to the cockpit play station. Kids will "fly high" in Propella for hours at a time.
