# **Mechanical Rides**

AMAZING MINDWINDER
A huge thrill as guests spin themselves round & round as the amazing mindwinder takes them up and down.

A true show stopper!

#### LOO RACERS

Loo Racers are our hot new ride.
These battery operated racers can be operated on any flat surface with or without our inflatable racetrack. Racers can be set to low speeds for younger children and faster speeds for adults.

45 feet x 39 feet x 9 feet high

## **Mechanical Rides**

#### **BANDIT BUMPER CARS**

Our amazing portable version of the amusement park classic. Four contestants climb into four cars encased by our deluxed inflatable rink. Tons of fun. Your guests will line up for their turn, and then come back for more!

#### **DIXIE WHIRLEY BIRD**

Share your muscle power with friends as you set the speed for this man-powered carnival thrill ride. Rowing type motion powers this carnival favorite sending four daring participants into a spinning motion. Great fun for everyone. Does <u>not</u> require an electrical source.

#### **ROCK 'N ROLL**

They just don't make them like this anymore!
Transport yourself back to the early days of rock & roll as our 50's inspired classic ride promises to make your forget just where you are right now.

#### TRACKLESS TRAIN

Chug. Chug. Clickety Clack. Clickety Clack. Our trackless train will run on any flat surface or grass. Great fun for small parties & picnics. A perennial favorite at school fairs & community festivals. Sure to thrill any young train fan.

### KIDDIE MERRY-GO-ROUND

The pre-school set will delight in this true kiddie classic.
